

Subject: Warranty.

- All electrical equipment is covered by 24 months warranty for good working order, provided that all instructions and notices of the manufacturer regarding operation, handling, transport, cleaning, etc. are followed. The warranty period starts from the date of the announcement of the readiness of routine tests (FAT). Spare parts and consumables (e.g. fuses, cables, clamps, indicating lamps, cartridges terminals, lamps, etc.) are excluded from the warranty. Similarly, internal connections of busbars and cables are excluded from the guarantee.
- The warranty does not cover the Owner in case of mishandling, damage, mechanical or electrical resulting from:
 - Disconnection and/or reconnection of electrical connections.
 - Handling or modification of the equipment by non-ADM personnel or third parties.
 - Mechanical damage (e.g. to cabinets, cables, etc.) from other operations.
 - External fault due to accident, incorrect handling, installation error.
 - Equipment failure due to mishandling, wrongful operations, and non-compliance with manufacturer's conditions.
 - Force majeure reasons such as earthquakes, floods, fire, sabotage, acts of terrorism or other external factors that are not the responsibility of the Contractor.
 - Operation and use in environmental conditions outside the operating limits of the equipment.
 - Warranty is EX-WORKS.
 - In all cases, damaged equipment, or part shall be returned to the ADM's facility and if diagnosed as defective, shall be replaced with a new one from the same or equivalent supplier or repaired if feasible.
 - The warranty does not cover the cost of transportation to and from the manufacturing plant.
 - The above applies only to the damaged part and not to the entire product.

- The warranty cannot apply if changes or additions have been made to the products by the Buyer without the ADM's approval.
- The warranty applies only to products that are found to be defective during the warranty period. The above warranty does not apply to products that have separate warranty terms.
- The Company makes no warranty as to the ability of the performance to achieve the goals or performances that the Buyer has set for itself unless those goals have been expressly accepted by the Company.
- The Customer may not, under any circumstances, suspend the performance of its contractual obligations due to warranty invocation.
